PARDON ROULETTE

CHRISTIE: Donald, if you pardon your kids, they will be forced to testify against you. And they will. You've trained them to be selfish. You know them. They would bury you. You cannot be this stupid. It would be the dumbest thing you could do.

PARDON ROULETTE

BARR: What idiot suggested you should pardon your kids? Was it Hannity? Don't tell me you're listening to Giuliani again? Hasn't he gotten you into enough trouble?

#PardonRoulette

PARDON ROULETTE

IVANKA: Daddy, don't pardon anyone who is not family. Not Manafort, not Giuliani and gosh, not that vile creep Stephen Miller. The more you pardon, the more there will be investigations. Keep pardons just within the family, Daddy.

PARDON ROULETTE

IVANKA: Daddy, don't pardon the boys. Junior is an idiot. Eric is a moron and isn't even our blood. We all know his dad is Gary Busey, so fuck him. Just pardon me

#PardonRoulette

PARDON ROULETTE

TRUMP: What about Jared? Should I give him a pardon?

IVANKA: That's up to you, Daddy. Jared's a bit dense but loves you more than Beavis & Butt-Head, or Rent-A-Mom

PARDON ROULETTE

DON JR: Sir, Ivanka testified in DC against you & Eric testified in NY. You can't trust them. Eric isn't even our blood. That freak was fathered by Gary Busey. Just pardon me

TRUMP: What about your scary wife, the Gargoyle?

#PardonRoulette

PARDON ROULETTE

ERIC: Sir, pardon all of us, all of your kids. Not just Jr and Ivanka, but your adopted kids like Lindsey Graham, Matt Gaetz and me. And Sir, also pardon your illegitimate kids like Hope Hicks & Hannity. Pardon all of us

#PardonRoulette

PARDON ROULETTE

GIULIANI: "Don't pardon your kids. They're all conspiring against you. Eric testified in New York. Ivanka testified in DC. Pardon me. I'm the only one you can trust."

PARDON ROULETTE

FIRST TRAMP: Stuff your pardon, Donald. I don't need it. I made recordings. The divorce takes effect on 20th of January and I'm taking Barron. We have a saying in the Slovenian Hooker Association: "I really don't care, do you?"

PARDON ROULETTE

TRUMP: Who is on line 2?

OPERATOR: It is Senator Lindsey Graham, he is calling about his pardon, again

TRUMP: I said no more calls from bloody Graham. Tell him to call his buddy John McCain for bloody pardon!

PARDON ROULETTE

HANNITY: Sir, I'm the only one of your biological children who has remained loyal to you. Even Ivanka is now ratting you out in DC court. Don't pardon them. Fuck 'em. Pardon me

PARDON ROULETTE

TRUMP: How much have we earned so far?

KELLYANNE: Here, let me show you on the spreadsheet

TRUMP: By the way, would you want me to pardon your asshole husband, while we're at it?

#PardonRoulette

PARDON ROULETTE

COHEN: Donald, just so you know. After you didn't pardon me, I told everybody how you treated me, and told them all to make recordings. It doesn't matter whether you pardon them or not, they will all screw you now.

#PardonRoulette

PARDON ROULETTE

STEPHEN MILLER: Your backstabbing kids are all ratting you out in court. Giuliani and Manafort are threatening you. Barr and Mitch McConnell have abandoned you. I'm the only one loyal to you. Just pardon me, Sir

Thread link seems broken after Stephen Miller. Next up is the McEnemy. Here is direct link to her item:
