10 GAME’s RULES :

1 - Sometimes to win a girl, you have to be ready to loose her.

2 - You demonstrate higher value.

3 - You attract the girl and you create comfort.

4 - You approach girls that scare you.

5 - Those who hesitate masturbate.

6 - You approach quickly because it will not get easier if you wait.

7 - You are not needy but you are not dead neither.

8 - Beautiful girls are rarely alone. You sometimes approach sets of 2 girls.

9 - Approaching girls is simple. You do not overcomplicate it. You don t count on magic tricks. You follow the london daygame model if you want to improve.

10 - You learn to speak to girls. You learn to stack. You learn storytelling. My success with girls is correlated with how much girls i talk to.
