## 10 GAME's RULES :

- 1 - Sometimes to win a girl, you have to be ready to loose her.
- 2 - You demonstrate higher value.
- 3 - You attract the girl and you create comfort.
- 4 - You approach girls that scare you.
- 5 - Those who hesitate masturbate.
- 6 - You approach quickly because it will not get easier if you wait.
- 7 - You are not needy but you are not dead neither.
- 8 - Beautiful girls are rarely alone. You sometimes approach sets of 2 girls.
- 9 - Approaching girls is simple. You do not overcomplicate it. You don t count on magic tricks. You follow the london daygame model if you want to improve.
- 10 - You learn to speak to girls. You learn to stack. You learn storytelling. My success with girls is correlated with how much girls i talk to.
