The real estate market in India expanded at a CAGR of ~10% from \$50bn to \$120bn between 2008-17.

It's estimated to expand at a CAGR of 17.7% to \$1tn by 2030. It will added \$820bn in 10 years from \$180bn in 2020.

Will throw a number of opportunities along the way.
