Last week Monday was explosive and God says to tell you, "there's more where that came from."

There will be more at the next session, Monday, 15th February.

Theme -With Things Back To Normal-Part 2

Esther 9:1|NIV
...On this day the enemies of the Jews had hoped to overpower

them, but now the tables were turned and the Jews got the upper hand over those who hated them.

God is not only turning tables, He is giving you the upper hand.

He will put you at an advantaged position.

Bible said, "On this day the enemies of the Jews had hoped to overpower

them, but now the tables were turned.

Tables are being turned in your favour.

In the day the enemy expects some bad news about you, the tables will turn.

On the day that medical report with terrible prognosis is to be released, the tables will turn.

On the day shame is about

to look like a fitted garment on yiu, the table will turn.

God is turning tables.. He is the greatest table shaker.

This is a session you should look forward to and in any case, I'm looking forward to having you join in.
