@iManasArora

This book on Market Breadth is from 2005. This led me to move in this direction and I improvised with day to day REAL trades experience and observations.

By your logic, anyone using this concept after 2005 is stealing from here.
https://t.co/vWx8GaqrRp

just to be clear he is referring @iManasArora who stole work of @PradeepBonde and did not gave any credit
