Its the weekend!

Grab a cup of coffee, today I will tell you about all the tools and services I use in my investing journey

Some are free, some are paid but all of them are guaranteed to deliver value

Lets dive right in!

Service # 1

Name: @Regulation30

Type: Paid

Regulation30 is my go to source to hunt for exchange filings that are worth studying further

This is also the source where I get lot of special situation ideas that aren't that widely known

R30 NEWSLETTER

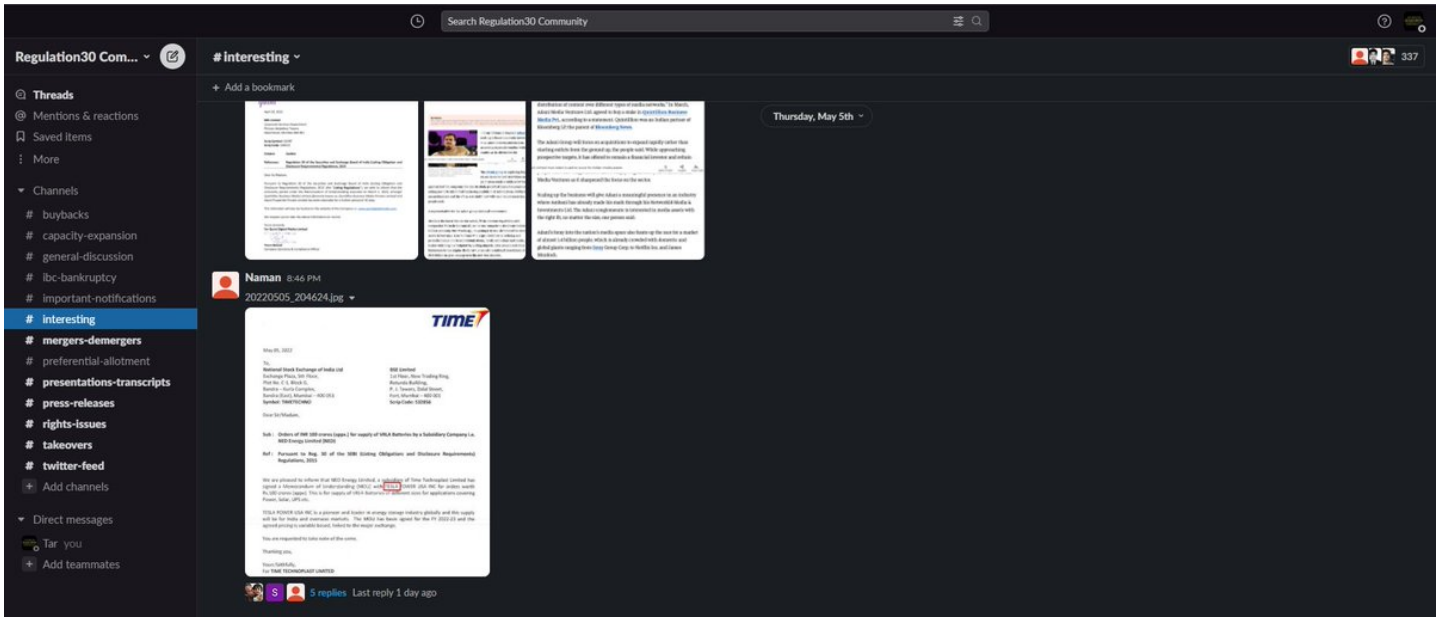

Every day thousands of filings are made over the exchange, among them only a handful are worth studying

Regulation 30 filters out the noise and sends me a daily email of every exchange filing that is worth reading

Here is a snapshot of the email they sent me yesterday

Service # 2

Name: CapTwist
Type: Free

Wouldn't it be cool if you could search across all exchange filings of all companies via keywords or phrases and join them together as a theme?

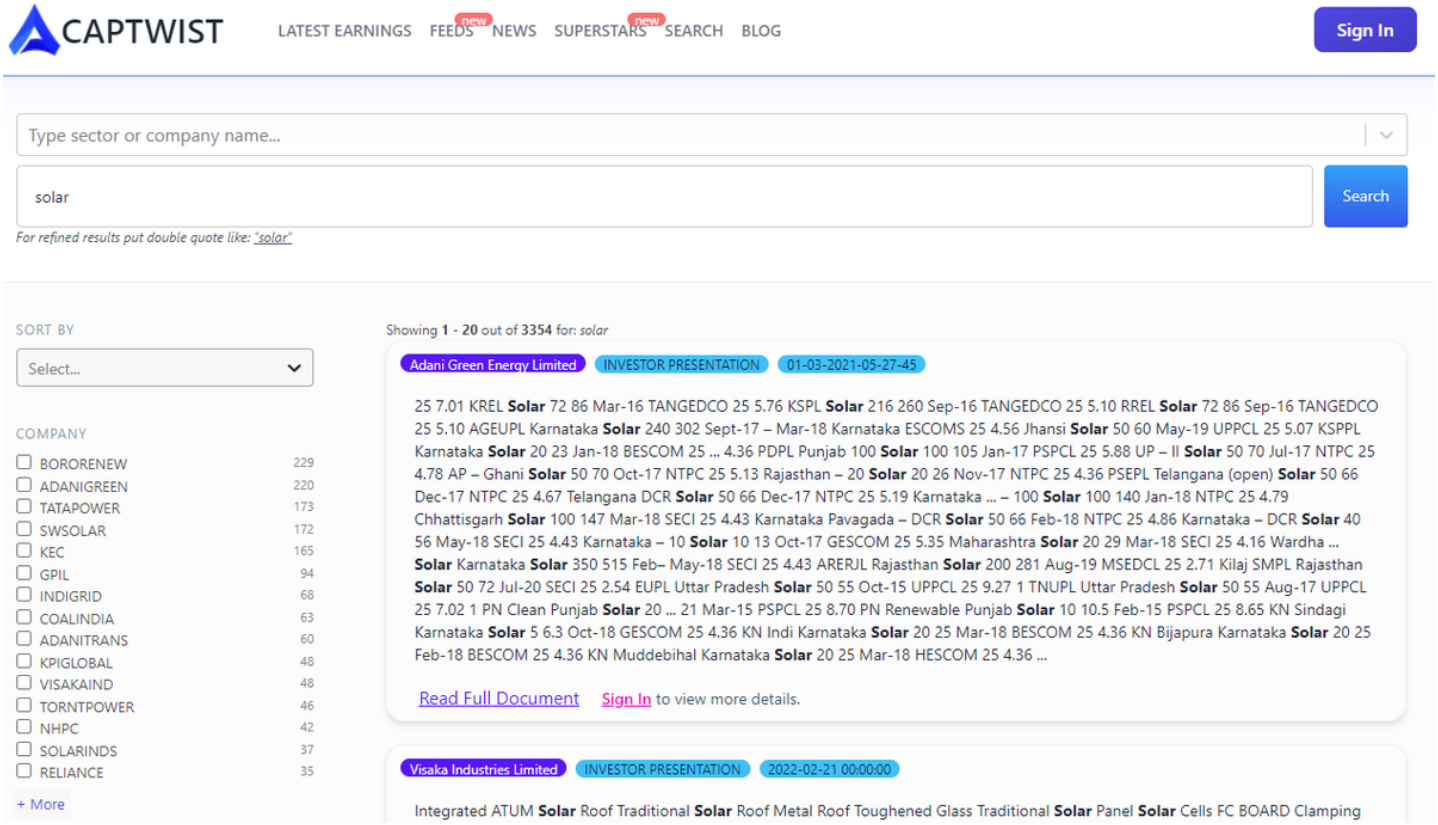

Well, CapTwist does just that!
https://t.co/9mwFRPZkws

Via CapTwist you can search across various filings of all companies

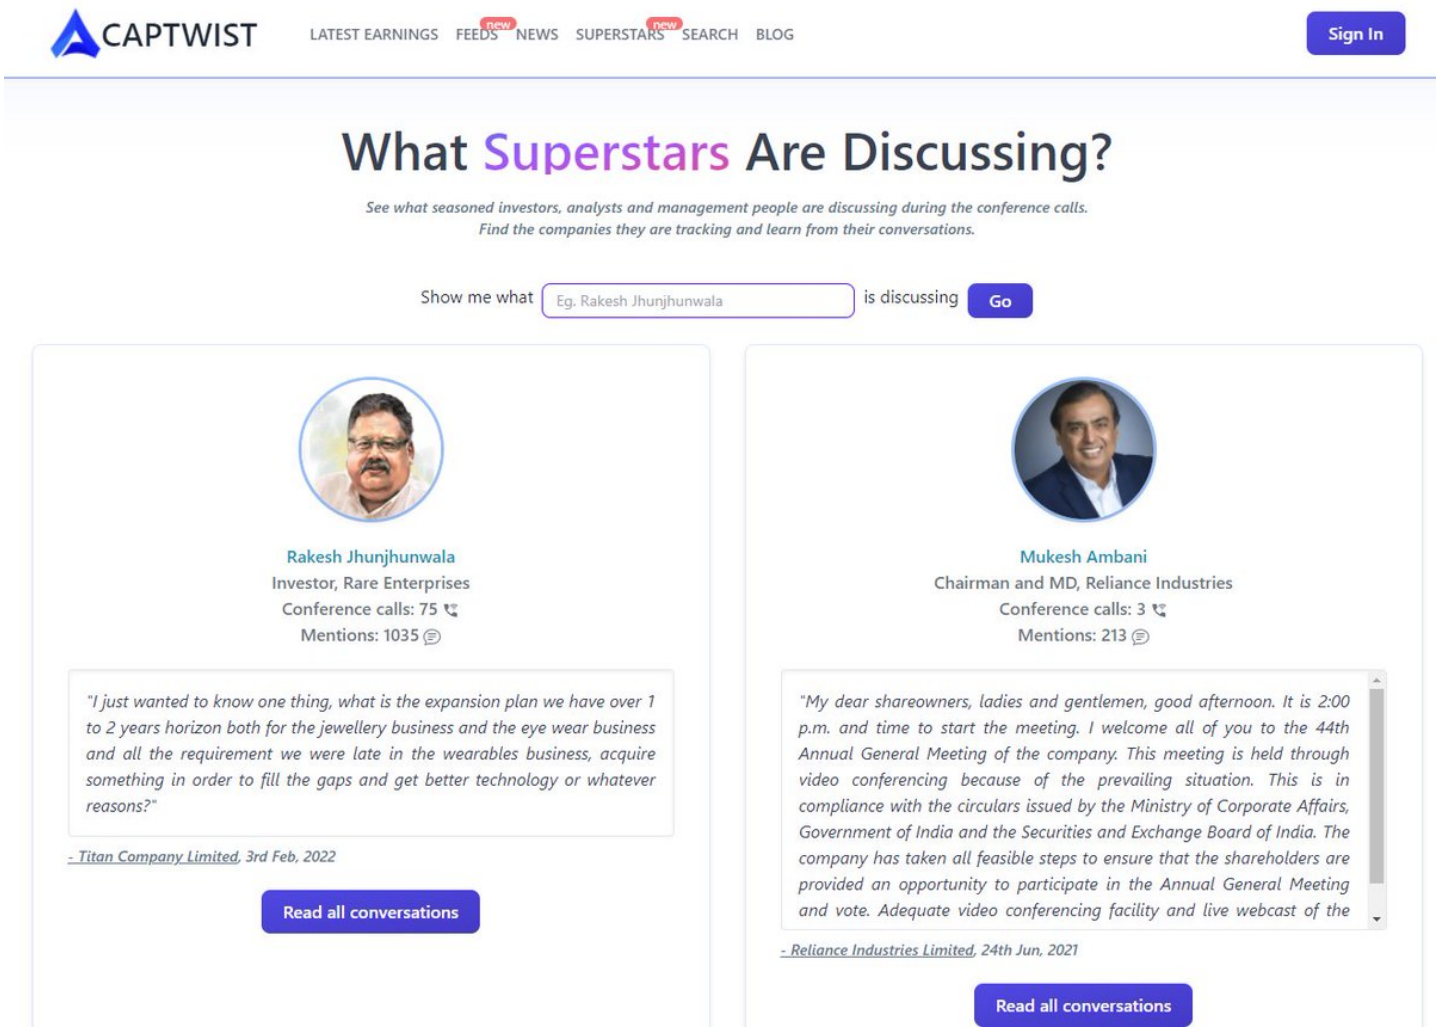

For example, I wanted to search the keyword 'solar' across company filings

Here is what CapTwist search function returns

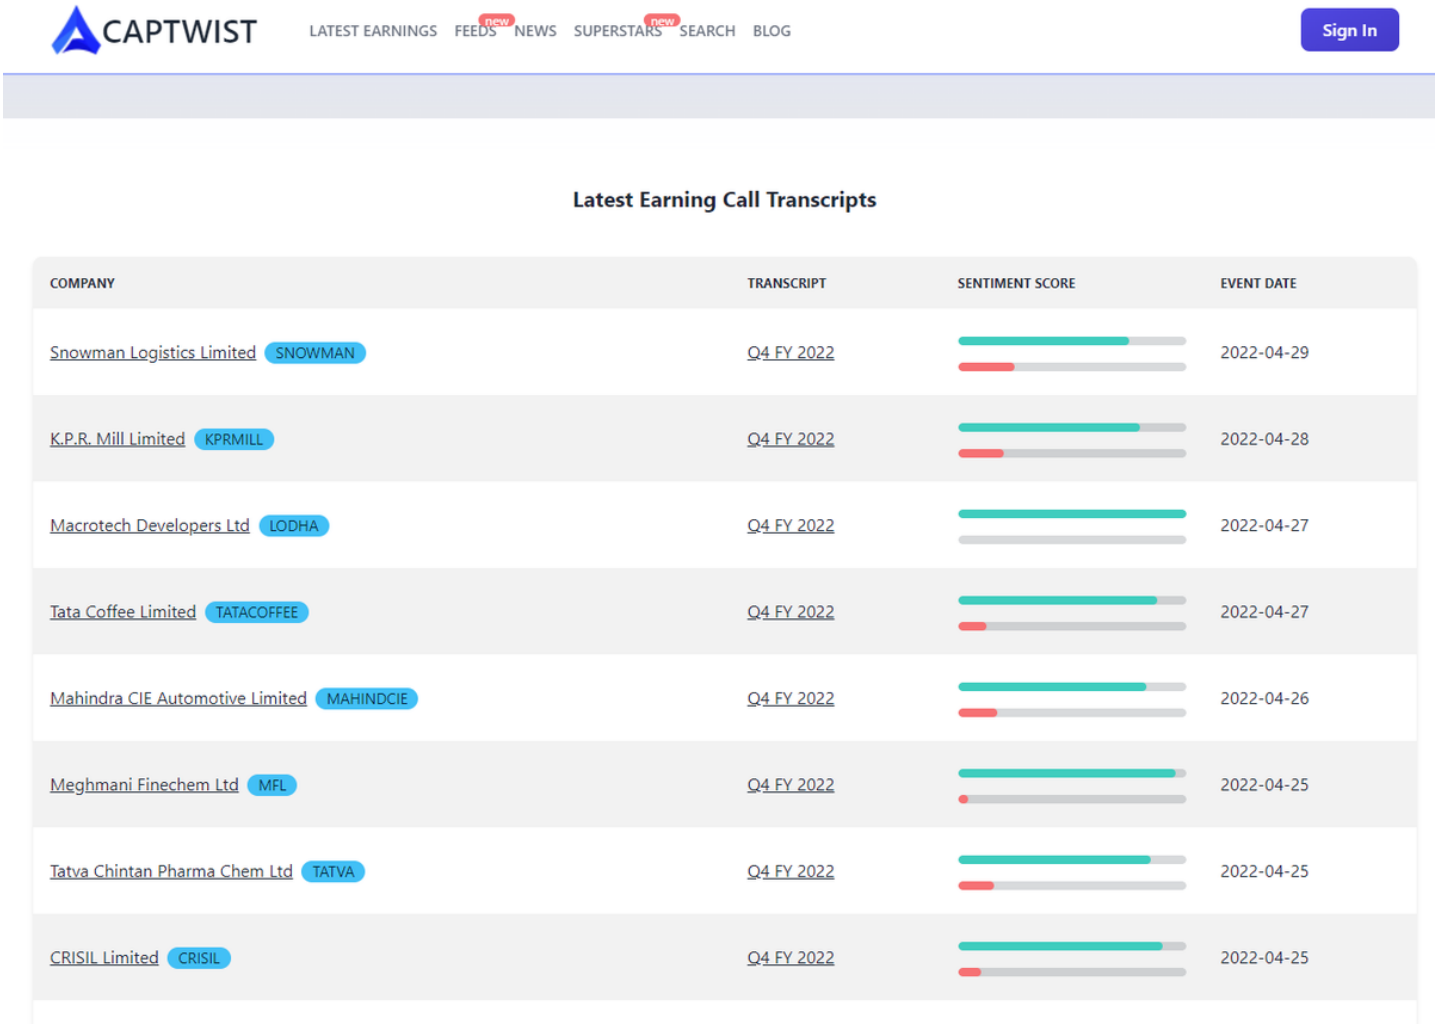

Want to follow your favorite investor?

You can search by their name and get details of all concalls they recently participated in

You can even check latest concalls and get summary insights on the bearish or bullish commentary

There is a lot more to CapTwist and its 100% free to try, so do play around.
