How To Become The Person You've Always Wanted To Be While Gaining EVERYTHING You've Ever Wanted To Gain...

THREAD

Kanye has MAGNETIC charisma

People are DRAWN to him

He says, does, and acts, however, he wants.

Everyone WISHES they could act like Kanye, but few can.

In this thread, I'll break down his ULTIMATE persuasion secret, and share with you how to use it in your own life to win

Most people have two selves: I once heard it being called the shell identity.

("I'm Bob the banker".)

This is what everyone knows you as.

A simple shell to mask your SECOND identity...

Your second identity is the person you've ALWAYS wanted to be…

When Bob is doing banking stuff he's daydreaming about living on a beach, working online, and banging big booty hoes.

I believe that's who he really is, his true identity.

So I'd call this his TRUE identity.

We all have pictures in our head, movies we run through of who we'd like to be, what we'd like to do and this is who we REALLY are.

Things like social conditioning often imprisoning one's TRUE identity.

Result?

Few ever pull the damn trigger and make it a reality.

Most people live in a CONSTANT of incongruence.

Females don't take them seriously
Prospects laugh at their claims
And, they feel like their friends don't trust them

Why?

Because they are never their true selves

Instead, they are merely being a shell of who they really are.

Ever had those moments where you're the life and soul of the party?

Everyone loves you?

Your confidence is at an all-time high?

And, everything is working out exquisitely?

This is what happens when you tap into your TRUE identity.

When you tap into your TRUE identity? Your communication is flawless...

Because there is CONGRUENCE.

And, when you recognize the core identity of other ppl, and talk to that?

Your influence is unparalleled.

This is Kanye's secret, but here's the deal with Kanye:

There is COMPLETE alignment with his actions, words, and beliefs.

Thus, he has become a COMPLETE powerhouse.

He tweets, people act.
He sells something, people buy.

People are DRAWN to him like a magnet

This is the issue with any accounts on Twitter.

They are basement living incels, acting like playboys.

Sure, they may get some engagement.

But people can sense the energy is off

Why?

Because they aren't FULLY aligned with both selves

They aren't being their TRUE self

Imagine how you would want your life if money wasn't an issue,
Imagine how you would dress,
What you would do,
And how you would feel
And make that a reality… Be that guy.

The sheer act of actively BECOMING? Is enough for you to start seeing results in reality.

Have you ever felt lonely while around a group of people?

This is because you're not being congruent, you're being you.

"Congruence is a name for that state in which every fiber of your being is in agreement."

You see, when you CHOOSE to fully be REAL self, and have full alignment?

You can't be stopped.

You become a magnet.

Because it is so fucking rare.

You could be a congruent dork, and still get laid.

Because you OWN it.

Congruence is the ultimate power.

Decide TODAY you'll live a congruent life.

You'll say, do, act how you want.

You won't be your shell self, but your CORE self.

(borrowed concept of core self from Frank Kern)

When you do this?

People will INSTANTLY trust you, and respect you.

Now, decide TODAY you'll live a congruent life.

Write down who you want to BECOME, and actively do the work until what you wrote down is who you look at in the mirror.

You aren't who others think you are. You are who you DECIDE to be.

Understand this? Watch your life change.

Namaste. God bless.
