**In last 10 years there have been 3 upswings in the stock.. if you could use your capital efficiently you would ride most of these upswings and use your capital elsewhere at other times.**

**Not letting your capital rot is a gainful activity. https://t.co/iYo2SIEPVX**

whats cooking in HGS ??

Are Hindujas offloading to put more into Indus ?? What's the buzz... the move seems as a precursor to a big news

just a guess..not a reco
