**7 signs a stock trend is exhausted:**

- 1) Price >100% above MA 200**
- 2) Largest volume since start of the trend**
- 3) Big gap after several months of rally**
- 4) New highs on lower volume**
- 5) Reversal bar on weekly chart**
- 6) 50% gains in 3 weeks**
- 7) >7 days up in a row**

**What else?**
