Read and retweet. One of the best investors in India who has made multibaggers from various sectors such as seeds, Financials, Auto Ancs, Real estate, Chemicals, Pharma, Technical textiles, Animal health etc. Uniquist and most realistic+diverse approach in my view @SamitVartak

Compelled to take down notes from this very interesting talk by @SamitVartak and share with the Investing community. Was introduced to this gentleman by @ishmohit1 - Thanks !!<https://t.co/bCfjfNBWO1>
