The absolute best thread to read on trailing methods by @Traderknight007

Read and follow this.. he has aptly explained about various methods to trail.

2. TRAILING METHODS-

1. SWING POINT METHOD-

In this method we use the swing points or the HH- HL OR LH-LL points for placing sl,

In this method we trail our sl when the stock make a Higher low after our entry and keep Trailing the sl till it hits.
