Lying liars who lie a lot (thread):

1. There is NO EVIDENCE OF ELECTION FRAUD!!!

(except this in

2. And these unsolicited mail in ballots:

5. And the tens of thousands of signed affidavits from USPS workers, poll workers, election volunteers & cyber security experts.

This is so true that YouTube immediately took down the video showing it immediately, because they TOTALLY aren't trying to hide the evidence.

So here's the full video on Rumble since they're not run by lying communists who are doing everything in their power to keep you from asking questions:
