<u>@sahil_vi</u> <u>@AdityaKhemka5</u> <u>@soicfinance</u> #SeQuent is investing in enhancing the terminal value of the business. This should provide better valuations fresh entry next year. Given the fact that it was 40+ in 2018, even a 400+ by 2028 would mean a very healthy 25-26% CAGR ex dividends.

D: Invested. Add more next year.
