A simple check chart for making a Will.
It’s simple. AND you can make it when you are young and keep adding/ editing things . You don’t have to wait till retirement

> While we get lot of suggestions on creating wealth but very limited insights on succession planning n preserving it.
>
> Sharing a check chart for basic information to draft a WILL. It\u2019s simple and a very imp step in financial planning! pic.twitter.com/b8M4Y0aDyy
