Female Infanticide in China
Bernice J. Lee

https://t.co/Hg91jjtZFW
In the early 1980s there were 108 male births to every 100 female, only slightly above natural rate; by 2000 that had soared to 120 males, some provinces, such as Anhui, Jiangxi/Shaanxi, to more than 130. The result is more than 35 million women "missing"

"Almost 40 new-born babies have been rescued from a puppy farm-style baby factory by police in China.
The factories were filled with pregnant women who were given food and a place to sleep, and then paid up to £10,000 after giving birth."
